

# MONTHLY WORD

Volume 24 Issue 3

March 2020

Dear Beloved of the Lord,

We speak the blessings of the Lord and the power of God and His covering over everyone in the Name of Jesus.

---

“... I am the Lord that health thee.”  
*Exodus 15:26*

---

As we press on into this new year, with Spring being right around the corner we see the fear and the uncertainties that is visiting all nations and peoples. All these happenings should be no surprise to the believer as the Lord spoke of the latter days and what would visit the earth due to the rebellious hearts of its inhabitants. They would rather worship creation and its idols than the true and living God.

As believers in the Lord we need to ever be mindful that it is His covering over us that protects us, and the blood of Jesus destroys any curse against us. Therefore, no matter what the plague or fear that is coming upon mankind let us speak God’s Word that ‘no weapon formed against me shall prosper.’ In fact, as believers we need to bring light to the darkened world of fear and death. Let us be equipped with the Word of God as we put on the full armor of God. Let us use the shield of faith along with the sword of the spirit to destroy every work of darkness. The Lord has proclaimed that we are well and receive our healing by the stripes of Jesus Christ, and by His mercy and grace.

“I am thy shield, and thy exceeding great reward.”  
*Genesis 15:1*

---

It is the spirit that makes alive, the flesh of itself profited nothing. Therefore, let us consecrate ourselves to the work of His spirit and be empowered with a fresh anointing by the Holy Ghost in the Name of Jesus.

Let us press on through all the challenges and circumstances that come against us as we call upon His Name and are renewed by His quickening Holy Spirit. Remember the battle is not to the strong, nor the race to the swift; the battle is won when He fights our battles so that we may give Him the power and glory in Jesus’ Name.

Let us be ready in season and out of season, for we know not what each day may bring nor how the enemy will attack. We know the one who holds us today and all our tomorrows in the embrace of His love. For God has not given us the spirit of fear, but of power and love and a sound mind.

As many of you know, our church is going through a challenge with the city of Los Angeles in regard to bringing the building up to the correct codes (especially the parking), and we thank you for your continual prayer and support. We ask that you continue to pray as our first given date of permit completion has been slated to Monday, April 6<sup>th</sup>. Everyone who has ever worked with the city knows how challenging and confusing it can get. Regulation upon regulation seemingly with no end. God, who brought light out of darkness, we believe will bring VICTORY out of all these challenges - including city regulations. Let us stand fast together in the Name of the Lord – not just for our church facility, but for everyone who may be going through a challenge at this time in their life. We believe in the awesomeness of God’s love and the power of our God and Savior through the Cross of Calvary.

Be strong and be blessed in Jesus’ Name.

In His Love,

Pastor Eddie
